*September 2004*

# Table of Contents

**SUMMARY** ..... 1

System Performance ..... 2

Level of Service "F" Segments ..... 2

Improved Segments ..... 4

Origin – Destination Surveys ..... 5

Bicycle Counts ..... 6

**1—INTRODUCTION** ..... 7

Level of Service ..... 12

CMP Level of Service Standards ..... 12

**2—STUDY METHODOLOGY** ..... 13

Definition of Roadway Segments ..... 13

Level of Service Speed Standards ..... 14

Data Collection ..... 16

Data Analysis Procedures ..... 17

**3—LEVEL OF SERVICE RESULTS** ..... 18

PM Peak Period Results ..... 18

AM Peak Period Results ..... 26

**4—SYSTEM OBSERVATIONS** ..... 30

Comparisons to Previous Studies ..... 39

**5—TRAVEL TIME STUDIES OF ORIGIN-DESTINATION PAIRS** ..... 47

Survey Methodology ..... 51

Origin – Destination Survey Results ..... 52

Travel Times on Bay Bridge Crossings ..... 56

**6—BICYCLE COUNT DATA** ..... 58

**7—MONITORING PROGRAM RESULTS** ..... 47

## APPENDICES

PM Freeway Segments ..... A-1

PM Arterial Segments ..... A-5

PM Ramps and Special Segments ..... A-13

A.M Segments (Freeways only) ..... A-14

Bay Bridge Traffic Volume (WB) ..... B-1

Dumbarton Bridge Traffic Volume (WB) ..... B-2

San Mateo Bridge Traffic Volume (WB) ..... B-3

## TABLES

1—Improved Segments – Segments at LOS "F" in 2002 and not in 2004 ..... 4

2—Alameda County CMP Designated Roadway System ..... 11

3—Relationship between Average Travel Speed and Level of Service ..... 15

4—Freeway LOS "F" Segments – PM Peak Period ..... 23

5—AM Peak Hour Level of Service "F" Segments ..... 29

6—Average Vehicle Speeds in Peak Hours ..... 30

7—Comparison of PM Peak Hour Travel Time Data & Speed on Selected Freeway Routes (91-04) ..... 40

8—Comparison of PM Peak Hour Travel Time Data & Speed on Selected Arterial Routes (91-04) ..... 41

9—Segments with Significant Changes from Previous Year PM Peak Period ..... 44

10—Travel routes for the Alameda County O-D pairs ..... 48

11—Time Components of Origin-Destination Surveys ..... 51

12—Origin-Destination Pair Travel Times ..... 55

13—Travel Times on Bay Bridge Crossings ..... 57

14—Alameda County Bike Count Data ..... 59

## FIGURES

1—Alameda County CMP System ..... 9

2—CMP System Level of Service "F" Segments ..... 19

3—AM Peak Travel Time Results ..... 27

4—2004 PM Peak Level of Service Results, Planning Area 1 ..... 31

5—2004 PM Peak Level of Service Results, Planning Area 2 ..... 33

6—2004 PM Peak Level of Service Results, Planning Area 3 ..... 35

7—2004 PM Peak Level of Service Results, Planning Area 4 ..... 37

8—PM Peak Bicycle Counts ..... 61
